Oru Kallurin Katai in this film Satya (Arya) loves Jothi (Sonya Agarwal), an orthodox girl from the Iyengar family. As soon as they finish their studies, they promise. They will have different lives, but you should not pay attention to this, but just go ahead and enjoy life. In fact, this film teaches tolerance, since there are many different nationalities here (Arabs, Indians, blacks and others), each of them has their own customs and traditions, so there is also humor (not without it, of course). The plot of the film is generally interesting. In the film, too, plays an important role. In general, the film can be watched, but not required. 7 out of 10
