Will AlwaysUp be able to run "MyFavoriteApp.exe" as a service? . After purchasing AlwaysUp, I am asked to enter the 10-digit serial number (XXXX-XXXXXX) from . exe that is currently installed (the file that will run as a service). Is there a way to "lock" an account when starting a service? I want the service to start within one week of purchase. For those of you who are interested in the service, here is what I did: I created a new solution I added the .exe to this solution so that when I navigate to the solution I can open it as a service. I added AlwaysUp as "services that start automatically".
